

The mission of the Friends is to promote and encourage appreciation, understanding, enjoyment, and public use of the East Fishkill Community Library.

A friend request that's really worthwhile!

The Friends of the East Fishkill Community Library is an all-volunteer fund-raising and advocacy group formed to enhance the mission of the East Fishkill Community Library. Joining *the Friends* group is a great way to be involved in the community while doing something good, meeting great people and having fun!

The Friends group plays an important role in supporting the library by sponsoring fundraising efforts such as book sales, event programming and other special activities. Becoming a member is one of the best ways to assure that East Fishkill has a thriving Public Library for years to come.
